

WHOLE COMMUNITY DISASTER SIMULATION WORKSHOP

~ Do you want to share the preparedness message in an interactive and fun way?

~ Do you want a way to open eyes and give "ah ha" moments on preparedness?

~ Want a whole community exercise that addresses recovery and not just response?

Thurs. September 22, 2016 • 9am-4pm

Multi Agency State Office Bldg, 195 North 1950 West, SLC

#DisasterSim

This event will give you the resources and knowledge needed to take back and use in your community.

The Whole Community Disaster Simulation is a fun, hands-on activity designed for all members of the public. Through guided role-playing, participants dive into some of the challenges facing individuals and communities after a major disaster.

This tool teaches the public how to prepare for a disaster, who is involved in response, challenges of disaster recovery, and more. No prior knowledge of disasters or emergency management is needed.
